After placing items on hold, you will be able to pick them up curbside. For information about curbside pickup, see this page on the library's website: **https://warrenlib.org/content/curbside-service#**

Not sure what to request? Fill out a request for a Grab & Go Bag. We'll browse the shelves for you and select items based on your interests. For more information, see this page on our website: **https://warrenlib.org/content/grab-and-go-bags#**

Do you have a question? On our homepage, **www.warrenlib.org**, click on the green "Ask a Question" tab on the righthand side. We will respond through either email or text.
