

Come in person or Zoom in to the Seminar! Our 1st hybrid event!

Sponsored by the Warren County Consortium for Student Enrichment

TRYING TO CARRY WATER IN A COLANDER?

Working on Executive Functioning Skills With Dr. Matt Zakreski

Can't you just focus?? Many neurodivergent people struggle with executive functioning skills, such as time management, organization, task initiation, response inhibition, etc. This presentation will establish the neuroscience behind executive functioning and how to use the realities of the neurodivergent brain to shape and build skills that help develop executive functioning.

2/11/2025 7-8:30 PM
DOORS OPEN @ 6:30 PM

STORM DATE 2/18/25

Live at Mansfield Township School
in Port Murray, NJ (Warren County).
Dr. Matt will be signing his latest book!
Attend in person or join us by Zoom!

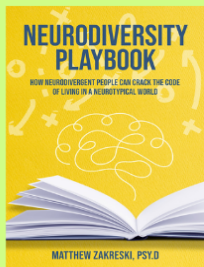

Come meet
Dr. Matt, back by
popular demand!

Matthew "Dr. Matt" Zakreski, PsyD is a high energy, creative clinical psychologist who utilizes an eclectic approach to meet the specific needs of his neurodivergent clients. He has spoken over a thousand times all over the world about supporting neurodivergent kids.

Dr. Zakreski is a member of Supporting the Emotional Needs of the Gifted (SENG), the National Association for Gifted Children (NAGC), the New Jersey Association for Gifted Children (NJAGC), and Pennsylvania Association for Gifted Education (PAGE).

He is the co-founder of The Neurodiversity Collective, LLC, co-host of the podcast "Nerding out on Neurodiversity," and the author of Neurodiversity Playbook: How Neurodivergent People Can Crack the Code of Living in a Neurotypical World.
