

WTSD

Be An Angel

2025

Each year, the PTA collects toy and clothing donations to support WTSD families who need a little extra help during the holidays. This year, during parent-teacher conferences, each school will feature a Giving Tree. Each tag on the tree represents a wish or essential item for a child or family—simply choose a tag, purchase the gift, and return it to the school **unwrapped and with the tag** for confidential distribution.

Together, we can "be an angel," helping make the season brighter for our community!
